Frequently Asked Questions

Tips and information about your New Zealand adventure with APT.

Are there a lot of walks on the tour?

There are walks on our tours, however, they are mostly short in distance and many stops are available. Your tour director will be able to advise you of different options you can take.

How do I book Freedom of Choice™ Sightseeing and Dining?

Your Freedom of Choice sightseeing and dining options are booked on tour with your tour director. However, in some locations these will need to be pre-selected at the time of booking.

Can I travel alone?

Of course! Many of our passengers are solo travellers, though there is a limited number of solo rooms available on each trip.

What level of mobility is required?

A good level of health and fitness is required to participate on an APT holiday. You will be required to embark and disembark the coach unaided, climb stairs and walk on uneven terrain. We recommend being able to walk unaided for a minimum of a kilometre. If there are any mobility issues, you will be required to complete an APT Health and Fitness Mobility Form. Please speak to your booking agent regarding this.

What clothing should I bring?

Naturally, this depends on personal preferences, however it is recommended that passengers take into account the time of year they are travelling and bring a variety of warm and cool clothing. Pack sufficient lightweight, comfortable clothing and footwear – wearing layers is the best option. You should also ensure your shoes fit well and have been broken in prior to your trip, to ensure they are comfortable for all types of excursions. Most guests dress casually on tour, however, if heading into town for a night you may want to wear something smarter.

How often does the coach stop for rest breaks?

This depends on what is planned each day. The coach will make regular stops for morning tea, lunch, afternoon tea, touring and photo stops. Your tour director can advise specific timings on tour.

Is there a toilet on the coach?

Yes, there is a toilet on board all of our Classic Tours for guest use. We also make regular rest breaks as well.

I get motion sickness and have a doctor's certificate advising this, can I sit in the front row of the coach?

To ensure all passengers have the opportunity to enjoy sitting at the front of the coach, we have implemented a daily seat rotation system. This system is not able to be adjusted to suit individual needs. Therefore, you may wish to bring along some natural remedies and medication to assist with motion sickness.

I have special dietary requirements, can these be catered for?

All dietary requests will be taken into consideration and fulfilled where possible. The wide selection of menus and choice of dishes available will help in meeting special dietary requests. Please advise your booking agent as soon as possible of any dietary requests.

Will I need travel insurance?

Travel insurance must be arranged prior to departure to ensure that you are covered for any unforeseen circumstances that may arise on tour (including cancellations, fees, medical and curtailment expenses, loss of luggage etc).

If my flight arrives later than the suggested time, will I miss any touring?

This will be dependent on the tour you are booked on. We have carefully considered our touring on the first day to ensure we cater for flight arrivals. If the flight does not arrive in time for this then any applicable touring will be forfeited and no refund provided.

How much luggage can I bring?

We have a limit of one piece of luggage with a weight of no more than 20kg per person with sizing regulations. OHS regulations apply to the lifting of overweight items. This is regardless of any airline luggage limits available in your flight booking class.

BOOKING AND PAYING FOR YOUR HOLIDAY

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. APT is not liable for delays or disruptions of air travel. Once tickets are issued APT will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights.

Airline Loyalty Points Eligibility

APT uses the services of a range of airlines in its packages. APT does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use loyalty points to upgrade travel need to be directed to the airline concerned by the member.

APT Deposit Cancellation Peace of Mind

Applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as an APT holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be

used on a future tour and cannot be redeemed against the original tour departure date. Deposits held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through APT (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. APT Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we strongly recommend you purchase at time of booking.

Travel Insurance

Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the full cost of your holiday package, medical expenses, loss of luggage, land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

Travel Information and Documents

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early am departures. Approximately 21 days before departure you will receive your e-ticket together with your final itinerary. However in the case of late bookings, charges or late payment, tickets may be emailed to you.

Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the hotel, airline or other supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Credit and Debit Card Surcharges

If you pay APT by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Accuracy

APT has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions, annual events. APT will endeavour to notify you of any significant changes prior to your departure.

Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alterations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.

Flight Changes

The flight timings detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it

is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

Out of Date Range Flights

If airlines have not published their schedules or airfares at the time of your booking, APT will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, APT will issue your tickets.

Force Majeure

Force majeure means the occurrence of an event that is beyond APT's reasonable control and which could not have been reasonably prevented by APT, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, license and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

Termination of Booking Contract or Change of Travel Arrangements due to Force Majeure

If APT, in its reasonable opinion, considers that any force majeure event prevents APT (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, APT may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

Data Protection Policy

Any personal information (including sensitive information and health information) that APT obtains and retains from you or about you is necessary for our business purposes. Our Privacy Policy details why we collect this information, who we may disclose it to (including overseas recipients), and the main consequences if we do not collect it. Our Privacy Policy also contains information about how you may seek access to, or correction of, the personal information held about you, and our complaint resolution procedures. Our Privacy Policy is available at www.aptouring.com.au/privacy or by request to us. By providing personal or sensitive information to us, you are agreeing to the terms of our Privacy Policy.

Limitation of Liability in the Event of Force Majeure

In the event that APT cancels or changes your travel arrangements in any way due to a force majeure event, APT will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. APT is not liable to refund any part of the deposit or purchase price paid by you if APT subsequently changes or cancels your travel arrangements in connection with a Force majeure event. Force majeure events are unpredictable and beyond APT's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of APT based on expected non-recoverable costs and expenses to be incurred by APT, including but not limited to overhead expenses and works or services performed personally by APT, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Limitation of Liability

1. Our holiday packages include the services of independent providers, such as hoteliers, airlines, cruise companies and other operators, who are not agents, servants or employees of APT. Although we take care in selecting the independent service providers and the optional excursions conducted by some independent service providers, APT is not responsible for the conduct of the independent service providers, their servants and agents or for any ramifications of that conduct. Optional excursions may, depending on your holiday package, include activities such as climbing, exploring, bike riding, swimming and snorkelling. You accept and assume the risk involved with these activities.

2. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. APT representatives are empowered to ask guests to depart a holiday package if they are displaying known COVID-19 symptoms. Abuse or harassment of any kind toward crew, contracted suppliers or other guests may result in

immediate removal from a holiday package. Guests will be responsible for arranging and paying for their own transport home if they are asked to leave the tour. APT is not liable to you for any costs associated with such decision and you will not be refunded for any part of the holiday package.

3. APT accepts no responsibility for any death, injury, illness, loss (including loss of enjoyment), damage, detention, delay (including mechanical breakdown) beyond its control.

4. Any term, condition or warranty expressed or implied by statute or otherwise in respect of the holiday packages contained in any of our collateral are excluded to the full extent permitted by law. Nothing in these booking conditions excludes, restricts or modifies the application of the Competition and Consumer Act 2010 (Cth) as amended, consolidated, supplemented or replaced.

5. To the full extent permitted by law, APT's liability arising under or in connection with these booking conditions: (a) is limited to the re-supply of the products or services or the payment of the cost of re-supply of the products or services to you; and (b) excludes liability for any indirect or consequential losses suffered by you or any third party, howsoever caused, including but not limited to pure economic loss or any special, extraordinary or punitive damage to you or any other party.

6. Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. Receipt of deposits and subsequent payments by the travel agent does not constitute receipt of those monies by us and the travel agent has no authority expressed or implied to receive monies on our behalf. There is no liability on the part of APT in respect to any monies paid to your travel agent unless and until APT notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by APT. APT reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by APT within the specified time.

7. Specific meal requests are requests only and cannot be guaranteed.

Choosing Your Holiday

Holidays operate on nominated dates as shown on each itinerary only. To maximise your enjoyment and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for you. Our marketing collateral contains limited information, however, there is more information online at www.aptouring.com.au and our qualified staff are available to discuss your options.

Hotels

In more remote places, hotel standards may not be quite as high as in major centres. APT endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed will be used on almost all holiday packages.

Twin or Double Rooms

Accommodation in all hotels, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

Triple Rooms

Triple room prices are subject to availability and based on existing room size, hotel bedding (twin/double beds) and the third bed may be a rollaway.

Solo Travellers

A limited number of single rooms may be available at time of booking.

Passports and Visas

Meeting necessary passport and visa requirements and cost is the sole responsibility of the passenger. APT is not responsible for delays or missed portions of cruise/tour relating to incorrect travel documents.

Passengers Needing Assistance

APT Welcomes All Passengers. Please Note:

1. Passengers with a disability or medical condition requiring assistance must inform APT at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow APT to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to APT as soon as possible and prior to departure. Where possible APT will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Wheelchairs and walkers cannot be carried on coaches, due to space limitations.

Health and Fitness

A good level of fitness and health is required to participate on APT's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. We recommend a visit to the doctor before travelling to overseas destinations and

consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. APT is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY Changes or Additions to Your Holiday

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge of \$70 per person and payment of any further costs incurred as a result of the change.
