Western Australia

A hub of biodiversity, culture, history and legendary landscapes – you're in for a real treat.

The lure of Western Australia is irresistible. Beyond red-ochre landscapes and pristine coastline, discover the secrets of the west coast and the south west corner.

SPECTACULAR GORGES

Western Australia's landscapes are synonymous with stunning gorges. Explore Geikie Gorge, where waters have shaped and bleached its limestone walls over millions of years. At Emma Gorge, wade right under the refreshing droplet waterfall.

HISTORIC BROOME

Broome's history and culture is as colourful as its setting. The lives of many Aboriginal, Chinese, Malay and Japanese pearl divers were lost during Broome's audacious pearling boom, yet today's lively multicultural society thrives because of it.

NINGALOO REEF

Stretching nearly 300 kilometres, Ningaloo is Australia's largest fringing coral reef and hosts over 500 species of fish. Highly diverse, this national treasure offers a kaleidoscope of vivid coral vistas.

MONKEY MIA DOLPHINS

At Monkey Mia, the local dolphins have frequented this same spot since the 1960s when fishermen began sharing their catch. While you're here, you'll look out for these clever mammals when they come into shore for their daily feeds, only a stone's throw away from your beachfront hotel.

A WORLD APART

Exploring Nambung National Park is like walking on a different planet. Wander through the Pinnacles and admire the backdrop of ever-shifting desert sands and scorching sun – each day is a unique experience.

WILDFLOWER SPOTTING 🌸

Between August and October, more than 800 species of wildflowers bloom in bright, beautiful pockets across the southern end of Western Australia. Many are found nowhere else on Earth (subject to seasonal conditions).

WAVE ROCK

Hyden's Wave Rock looms some 15 metres high and stretches over 100 metres in length. Just like an ocean breaker, this striped granite rock formation stands frozen in time and is thought to be over 27 million years old.

THE INDIAN PACIFIC

Journey across Australia from Sydney to Perth aboard the Indian Pacific railway. As you make your way to Broken Hill, Adelaide, and Rawlinna to Perth you'll enjoy a variety of off-train excursions. Of course, in the middle of it all is the vast Nullarbor Plain.

FREQUENTLY ASKED *Questions*

TIPS AND INFORMATION ABOUT YOUR AUSTRALIAN ADVENTURE WITH TRAVELMARVEL

ARE THERE A LOT OF WALKS ON THE TOUR?

There are walks on our tours, however, they are mostly short in distance and many stops are available. Your tour director will be able to advise you of different options you can take.

CAN I TRAVEL ALONE?

Of course! Many of our passengers are solo travellers, though there is a limited number of solo rooms available on each trip.

WHAT MOBILITY IS REQUIRED?

A good level of health and fitness is required to participate on an Travelmarvel holiday. You will be required to embark and disembark the coach unaided, climb stairs and walk on uneven terrain. We recommend being able to walk unaided for a minimum of a kilometre. If there are any mobility issues you will be required to complete an Travelmarvel Health and Fitness Mobility Form. Please speak to your booking agent regarding this.

IS THERE A TOILET ON THE COACH?

Yes, there is a toilet on board all of our Classic Tours for guest use. We also make regular rest breaks as well.

WHEN IS THE BEST TIME TO TRAVEL TO AUSTRALIA?

We operate tours in Australia all year round. With a varying climate, the best time to travel in Australia is based on what kind of experience you're after. Peak travel times fall between May and November for Western Australia, the Northern Territory and Queensland, and September to March in Tasmania when the weather is warmer. You may prefer the quieter shoulder season between April and May when the weather is cooler and the popular attractions are less crowded.

WHAT CLOTHING SHOULD I BRING?

Naturally this depends on personal preferences, however it is recommended that passengers take into account the time of year they are travelling and bring a variety of warm and cool clothing. Pack sufficient lightweight, comfortable clothing and footwear – wearing layers is the best option. You should also ensure your shoes fit well and have been broken in prior to your trip, to ensure they are comfortable for all types of excursions. Most guests dress casually on tour, however, if heading into town for a night you may want to wear something smarter.

Witness wildflowers bloom in Western Australia

I GET MOTION SICKNESS AND HAVE A DOCTOR'S CERTIFICATE ADVISING THIS, CAN I SIT IN THE FRONT ROW OF THE COACH?

To ensure all passengers have the opportunity to enjoy sitting at the front of the coach, we have implemented a daily seat rotation system. This system is not able to be adjusted to suit individual needs. Therefore, you may wish to bring along some natural remedies and medication to assist with motion sickness.

I HAVE SPECIAL DIETARY REQUIREMENTS, CAN THESE BE CATERED FOR?

All dietary requests will be taken into consideration and fulfilled where possible. The wide selection of menus and choice of dishes available will help in meeting special dietary requests. Please advise your booking agent as soon as possible of any dietary requests.

HOW OFTEN DOES THE COACH STOP FOR REST BREAKS?

This depends on what is planned each day. The coach will make regular stops for morning tea, lunch, afternoon tea, touring and photo stops. Your tour director can advise specific timings on tour.

WILL I NEED TRAVEL INSURANCE?

Travel insurance must be arranged prior to departure to ensure that you are covered for any unforeseen circumstances that may arise on tour (including cancellations, fees, medical and curtailment expenses, loss of luggage etc).

IF MY FLIGHT ARRIVES IN LATER THAN THE SUGGESTED TIME, WILL I MISS ANY TOURING?

This will be dependent on the tour you are booked on. We have carefully considered our touring on the first day to ensure we cater for flight arrivals. If the flight does not arrive in time for this then any applicable touring will be forfeited and no refund provided.

HOW MUCH LUGGAGE CAN I BRING?

We have a limit of one piece of luggage with a weight of no more than 20 kilograms per person with sizing regulations. OHS regulations apply to the lifting of overweight items. This is regardless of any airfare luggage limits available in your flight booking class.

Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, a surcharge of between 0.5% and 3% will be added your tour price.

ACCURACY

Travelmarvel has endeavoured to ensure that the information provided about accommodation, itineraries etc., is correct to the best of its knowledge at the time of publication. However, advertised descriptions and facilities and prices may change after publication. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, carriers and routes are given for guidance only as there may be changes. Final details will be shown on your tickets. Holiday package or excursion itineraries may change or be different from those described in our collateral as a result of local conditions, weather conditions and annual events. Travelmarvel will endeavour to notify you of any significant changes prior to your departure.

DISRUPTION TO CRUISING AND ITINERARY ARRANGEMENTS

Itineraries are intended as a guide only and are subject to alteration without notice. Alternations may be necessary for various reasons including, without limitation, road, rail, river or weather conditions, strikes or other reasons beyond Travelmarvel's control. If conditions render any routes unsafe for navigation, Travelmarvel reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as published. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river, it may be necessary to operate part of the itinerary by coach and alternative sightseeing may be included. Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel cannot guarantee exact arrival and departure times for carriers and operators used by Travelmarvel and Travelmarvel will not be liable for failure to make connections with any other services or attractions beyond its control.

FLIGHT CHANGES

The flight timings detailed on your confirmation invoice, or on our website are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled and charter flight timings, and days of operation are also subject to change. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your ticket/s.

FORCE MAJEURE

Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

TERMINATION OF BOOKING CONTRACT OR CHANGE OF TRAVEL ARRANGEMENTS DUE TO FORCE MAJEURE

If Travelmarvel, in its reasonable opinion, considers that any force majeure event prevents Travelmarvel (whether directly or through its employees, contractors, subcontractors and agents) from lawfully or safely providing any products or services subject of the booking contract with you, Travelmarvel may immediately by written notice: (a) terminate the booking contract (in whole or in part); or (b) change your travel arrangements as reasonably practicable to ensure your safety and invoice you for any additional costs.

LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

In the event that Travelmarvel cancels or changes your travel arrangements in any way due to a force majeure event, Travelmarvel will not be liable to you in contract, tort, statute or restitution for any loss (including, but not limited to, loss of deposit or purchase price and loss of enjoyment), damage, costs, charges, expenses or injury resulting from or in connection with (whether directly or indirectly): (a) the cancellation or change to your travel arrangements; or (b) the force majeure event. Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event.

Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, your policy needs to respond to these risks.

You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

- Your travel agent will forward deposits and other payments to us on your behalf, but your travel agent is not our agent for the purpose of receipt of monies. There is no liability on the part of Travelmarvel in respect to any monies paid to your travel agent unless and until Travelmarvel notifies you (by way of a booking confirmation advice or payment receipt advice) that monies have been received by Travelmarvel. Travelmarvel reserves the right to cancel any ticket or booking or refuse to carry any passenger where payment has not been received by Travelmarvel within the specified time.
- Specific meal requests are requests only and cannot be guaranteed.

COVID-19 REQUIREMENTS

Before booking and before you travel, ensure that you check the latest Government travel requirements and Travelmarvel updates which include the onboard protocols (which will be available on Travelmarvel's website at www.travelmarvel.com.au/about-us/travel-updates) which will set out the obligations which apply to customers departing on tours. This may include obtaining proof of negative test results prior to embarkation, completion of health questionnaire, mask wearing, requirement to isolate if COVID-19 symptoms present during tour and removal of passengers from the tour if deemed necessary by medical staff. Compliance with the travel requirements and Travelmarvel updates is mandatory and anyone refusing to comply can be denied access to the tour or removed from the tour at Travelmarvel's absolute discretion.

For tours departing 01 January 2022 onwards, proof that you are fully vaccinated with a Government approved COVID-19 vaccine will be required for each passenger before the commencement of the tour. Fully vaccinated means that there has been at least 14 clear days (not including the date of vaccination) from the second dose in a 2-dose series of vaccines before the date of departure. If Government guidelines are published which recommend a booster dose of any approved COVID-19 vaccination, the reference to fully vaccinated will only apply if a passenger has had a booster dose no earlier than 9 months and no sooner than 14 days prior to departure of the tour.

CHOOSING YOUR HOLIDAY

To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations, it is important that you choose the right holiday package for your requirements. Our brochures contain limited information, however there is more information online at travelmarvel.com.au and our staff are available to discuss your options.

HOTELS

In more remote places, hotel standards may not be quite as high as in major centres. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages, however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated.

SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your holiday package. Single rooms/ suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

PASSENGERS NEEDING SPECIAL ASSISTANCE

Travelmarvel welcomes passengers with disabilities or special needs, however, please note the following:

- Any disability or medical condition requiring special attention must be reported to Travelmarvel at the time of booking, including all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information is also crucial to allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to accommodate your special needs however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.
- If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking or hearing emergency alarms unaided), you must travel with a companion capable of providing the required assistance or care. Please be aware that Travelmarvel does not provide personal assistance. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.
- While Travelmarvel will make reasonable efforts to accommodate the special needs of disabled passengers, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.
- Please note coaches, minibuses and 4WD vehicles are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks, as some do not have elevators. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. Ships often sail through remote areas that do not have convenient docking facilities. In such instances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide it is not safe for a passenger to negotiate such operations they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor.

HEALTH & FITNESS

A good level of health and fitness is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which include uneven ground and stairs. Mobility is needed for boarding or alighting coaches and ships. We recommend a visit to the doctor and dentist before travelling. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other guests. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

ENHANCE YOUR JOURNEY - OPTIONAL EXCURSIONS

These Select Experiences are an additional cost to the land tour price. Minimum and maximum group numbers apply for the tour to operate and all tours are subject to availability and local conditions. Gratuities are not included on optional experiences.

IF YOU NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

CANCELLATION POLICY

The following Travelmarvel cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Days of Notice Prior to Departure	Fee Per Person
100 days or more	Loss of deposit
99–61 days	50% of holiday package price
60 days or less	100% of holiday package price

All cancellations must be received in writing by Travelmarvel and are not effective until this notification has been received. If your holiday has commenced, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed. Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

CHANGES TO TICKETED AIRFARES

If you wish to amend the date or touring on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 per person for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels, etc., over whom we have no direct control. On occasions changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. Group tours require a minimum number of bookings in order for the tour to be financially viable and to have a pleasant group atmosphere. In the event that adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a full refund of monies paid for arrangements made by Travelmarvel).

ON HOLIDAY

NOISE AND VIBRATION

You acknowledge and accept that some noise and vibration may be experienced and Travelmarvel is not liable to you for any such noise or vibration.

SEAT ROTATION

Passengers rotate seats in the coach daily so everyone enjoys window and front seating. In fairness to all passengers, no exceptions will be made.

CHANGES DUE TO WEATHER

Due to the nature of the terrain and remote areas, weather fluctuations can adversely affect road conditions, which may necessitate alterations to itinerary with little or no notice. Content and inclusions are subject to seasonal variances.
