# Cruise with HOLLAND AMERICA LINE

EXPLORE SOUTH AMERICA'S INCREDIBLE COASTLINE

The fjords and channels beyond Chile's southern regions set the scene for world-class cruising in this remote Patagonian wilderness. Discover giant glaciers and snow-capped volcanoes, as you cruise through Chile's largest protected area.

## THE CHILEAN FJORDS

Strikingly rich in natural beauty and historical attractions, a cruise through the spectacular Chilean fjords is a unique journey into a very special environment. Over millennia, an intricate system of channels, fjords and straits has carved out its place on the nation's southernmost tip. Here, you'll come face to face with towering glaciers as they descend into impossibly turquoise waters. You'll round rugged shores and dip into secluded coves, in search of wildlife quite at home in this unique habitat. Meanwhile, icebergs and incredible views are commonplace in Chile's frozen southern frontier.

## THE FALKLAND ISLANDS

With five types of penguin (gentoo, king, macaroni, Magellanic and rockhopper) as well as albatross and elephant seals, the Falkland Islands present a range of astonishing wildlife encounters. Given the remote location of these islands, nature is still in charge both on land and in the surrounding seas. The island capital, Stanley, is a quaint village set on a harbour and home to charming museums and friendly locals. A great place to wander and explore on a historical tour.

Delve into the history of Easter Island

Extend your escorted South America tour with a discovery of Easter Island. Learn about the culture of the Polynesian people and discover the secrets of the Moai as you explore this remote, World Heritage-listed Pacific Ocean outpost.

Three Nights: Hare Uta Rapa Nui.

**Day 2. Ahu Akivi, Orongo** Head to the sacred location of Ahu Akivi and visit the seven Moai statues. It's said these statues represent explorers sent by Polynesian King Hotu Matu'a. Observe the diverse wildlife of the Ballestas Islands

## Nazca Lines & Ballestas Islands

With the coastal town of Paracas as your base, extend your escorted South American tour and set off on a flight over the Nazca Lines – geometric lines and geoglyphs etched into the floor of the Nazca Desert. Round the extension out with a cruise to the wildlife-rich Ballestas Islands.

### Day 1. Lima, Paracas

From Lima, transfer by private vehicle to the Peruvian port town of Paracas. On arrival, check into your beachside hotel, La Hacienda Bahia Paracas. Shape the rest of today as you'd like.

Two Nights: La Hacienda Bahia Paracas.

### Day 2. Nazca Lines

Thought to have been created around 1,500 years ago by a pre-Inca civilisation, the Nazca Lines are a series of geometric lines carved into the Nazca Desert, along with more than 70 animal geoglyphs. Board a small aircraft in Pisco for an aerial flight to see these World Heritage-listed etchings. Learn how the lines – trenches dug through a pebble layer to reveal a different coloured subsoil – have been preserved due to the stable and windless desert climate. Watch for more well-known zoomorphic figures, like the condor, spider, fish and hummingbird. Then return to Paracas, for time to relax at leisure. B

### Day 3. Ballestas Islands

From Paracas, visit the nearby Ballestas Islands. Board your hotel's own vessel and cruise along the Peruvian coastline to explore wildlife-rich islands, often described as a mini Galápagos, for its abundance of blue-footed boobies, fur seals, sea lions, Humboldt penguins and more. On the way out to the islands, you'll pass the Paracas Candelabra. Like the geoglyphs of Nazca, little is known of this giant geoglyph carved into the desert dune. After taking in this incredible marking and the wildlife of the Ballestas Islands, return to shore. From here, your journey ends with a transfer by private vehicle back to Lima. B

## BOOKING AND PAYING FOR YOUR HOLIDAY

### AIRFARES

Air travel is arranged with independent airlines. Travelmarvel will arrange air travel as advertised in connection with your holiday package or as otherwise arranged with Travelmarvel. All airfares are subject to flight and booking class availability as specified in the conditions. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airport taxes vary for each departure point and routing of airlines. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Travelmarvel is not liable for delays or disruptions of air travel. Once tickets are issued, Travelmarvel will have no other liability and will not be responsible for refunding the cost of any services booked in conjunction with the flights. Flying outside of the tour date range or re-routing your flight itinerary may incur additional surcharges. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

### AIRLINE LOYALTY POINT ELIGIBILITY

Travelmarvel uses the services of a range of airlines in its packages. Travelmarvel does not warrant that its airfares attract loyalty points as airlines control the application of loyalty points in all cases. Requests to use airline points to upgrade travel need to be directed to the airline concerned by the member.

### TRAVELMARVEL DEPOSIT CANCELLATION PEACE OF MIND

Conditions apply: applicable when an upfront fee of \$95 per person is paid with your deposit. The holiday package can be cancelled prior to the final payment date and your deposit will be retained as a Travelmarvel holding credit to be used for future bookings. If Deposit Cancellation Peace of Mind is claimed, monies held must be used on a future cruise or tour and cannot be redeemed against the original cruise or tour departure date. Deposit held in credit will exclude fees imposed by third parties, including but not limited to air travel, rail travel and hotels. When booking airfares through Travelmarvel (including when taking advantage of a special offer that includes air travel), standard airline cancellation fees will apply. In some cases, airfares will be non-refundable. In the event of cancellation, these fees will be deducted from the deposit paid, and therefore the credit being held. Travelmarvel Deposit Cancellation Peace of Mind applies to new bookings only and is only valid up until 100 days prior to travel. After three years, unused credit funds will incur the original cancellation conditions. This does not replace travel insurance, which we strongly recommend you purchase at the time of booking.

### TRAVEL INSURANCE

Travel Insurance is not included in your holiday package. For your protection, we strongly recommend you purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, cruise and land content and airfare charges that may occur due to cancellation, impossibility of performance or other frustration, disruption, loss of deposit or strikes.

### TRAVEL INFORMATION & DOCUMENTS

After booking you will receive an invoice with all important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Approximately 21 days before departure you will receive your e-ticket, together with your final itinerary. However, in the case of late bookings, charges or late payment, tickets may be emailed to you.

### SPECIAL REQUESTS

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals), is an important factor in your choice of holiday, you must advise us when your booking is made. Travelmarvel will pass your request on to the hotel, airline or other supplier but cannot guarantee that it will be accommodated. Travelmarvel will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

### CREDIT & DEBIT CARD SURCHARGES

If you pay Travelmarvel by credit or debit card, surcharges will apply. In the case of credit cards a surcharge of between 1% and 3% (depending on the card used), will be added to the tour price. In the case of debit cards a charge of 0.5% will be added to the tour price.

Travelmarvel will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Travelmarvel will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these booking conditions.

### OUT OF DATE RANGE FLIGHTS

If airlines have not published their schedule at the time of booking, Travelmarvel will estimate the cost of airfares connected with your holiday package. When the airline releases flight inventory and airfares, Travelmarvel will confirm booking and pricing with you by sending you an updated invoice. Once flights have been confirmed by you and payment has been received, Travelmarvel will issue your tickets/.

### FORCE MAJEURE

Force majeure event means the occurrence of an event that is beyond Travelmarvel's reasonable control, and which could not have been reasonably prevented by Travelmarvel, which includes, but is not limited to: (a) war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts; (b) natural disaster (including but not limited to flooding, fire, earthquake, landslide), adverse weather conditions, high or low water levels; (c) nuclear or other industrial accident causing environmental pollution or contamination; or (d) change in law, meaning, enactment, amendment (including repeal) in the law or administration of any law in Australia or any jurisdiction or territory relevant to the booking contract, which includes changes in statute, regulation, determination, by-law, declaration, licence and the common law as applicable from time to time, including changes or amendments in regulations or access to services, sites or countries caused by declared epidemic or pandemic events.

### LIMITATION OF LIABILITY IN THE EVENT OF FORCE MAJEURE

Travelmarvel is not liable to refund any part of the deposit or purchase price paid by you if Travelmarvel subsequently changes or cancels your travel arrangements in connection with a force majeure event. Force majeure events are unpredictable and beyond Travelmarvel's control. As you are required to purchase travel insurance to adequately protect yourself against these risks, you policy needs to respond to these risks. You acknowledge and accept that these terms are reasonably necessary to protect the legitimate interests of Travelmarvel based on expected non-recoverable costs and expenses to be incurred by Travelmarvel, including but not limited to overhead expenses and works or services performed

personally by Travelmarvel, leading up to the commencement of the holiday package, alternatively prior to the force majeure event.

Compliance with the travel requirements and

#### CHOOSING YOUR HOLIDAY

To maximise your enjoyment of your Travelmarvel holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our publication contains limited information, however, there is more information on our website at travelmarvel.com.au and our qualified staff are available to discuss your options.

#### HOTELS

Hotel rooms may be smaller than those in Australia and New Zealand. Travelmarvel endeavours to utilise the most suitable accommodation available in each destination to ensure that passengers enjoy high levels of cleanliness, comfort and service. The hotels listed in this brochure will be used on almost all holiday packages; however, if a change is necessary for any reason, Travelmarvel will endeavour to ensure that alternative accommodation is of an equivalent standard to those shown. Hotel rooms are generally not available for check-in before 3pm and require check-out by 10am. Where guaranteed use is required outside of these times you may be required to book and pay for additional nights.

#### TWIN OR DOUBLE ROOMS

Accommodation in all hotels and camps, regardless of the rating, is in standard rooms (sometimes named superior/deluxe) based on twins or doubles unless otherwise stated. Bedding configurations on board cruises may vary with the category booked. In South America twin-bedded rooms are very common and double beds are either not available or limited in number.

#### CRUISING – CABIN/SUITE/ STATEROOM SELECTION

Travelmarvel will make every effort to assign specific cabins, cabin numbers or locations on the ship if requested. If this is not possible, Travelmarvel reserves the right to make changes to cabin assignment within the category booked without prior notice. Where guaranteed-grade cabins are confirmed, the shipping company reserves the right to allocate cabins within the grade booked or better, regardless of their location or configuration. For the Chilean Fjords cruise aboard Holland America Line's Oosterdam, guaranteed cabins are allocated by Holland America Line. A small number of cabins in certain categories are accessible and may be allocated to any passenger.

#### SOLO TRAVELLERS

A limited number of single rooms/suites/cabins may be available by request at time of booking your cruise/holiday package. Single room/suites/cabins are not available on certain cruises. Single rooms/suites/cabins are usually smaller than standard twin or double rooms and often only have one single bed.

#### PRE & POST EXTENDED TOURING

All extensions are based on availability at time of booking. Gratuities are not included on extended touring packages.

#### PASSENGERS NEEDING ASSISTANCE

Travelmarvel welcomes all passengers. Please note:

1. Passengers with a disability or medical condition requiring assistance must inform Travelmarvel at the time of booking of all important information relating to your health, mobility and fitness which may affect your partial or total participation in the cruise or tour. This information will allow Travelmarvel to ensure the tour you have chosen is suitable and meets your needs. Any changes to health, mobility and fitness must also be reported to Travelmarvel as soon as possible and prior to departure. Where possible Travelmarvel will make reasonable adjustments to the tour to assist you however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety and/or enjoyment of other passengers.

2. If you require assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking), you must travel with a companion capable of providing the required assistance or care. Travelmarvel is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While Travelmarvel will make reasonable efforts to accommodate everyone, it is not responsible for any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels,

trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Most river and ocean ships have elevators, however not all Travelmarvel ships have elevators. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descent stairs to cross over vessels to disembark and embark at times. Travelmarvel ships often sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations, they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers cannot be carried on ramps in ports where the river or ocean cruise ship is at anchor. Travelmarvel is unable to provide individual assistance to any passenger for walking, dining, disembarking or embarking cruise ships and/or coaches or other transportation vehicles or other personal needs.

#### HEALTH AND FITNESS

A good level of fitness and health is required to participate on Travelmarvel's holiday packages. In some destinations there are extensive sightseeing excursions by foot which includes the climbing of stairs. Mobility is needed boarding or alighting coaches, river cruise ships and trains. Antarctica cruises require you to be able to climb in and out of zodiacs and some of our excursions may involve wet landings (see Shore Excursions for more information). We recommend a visit to the doctor before travelling to overseas destinations and consult with them regarding any vaccinations which may be required. It is your responsibility to advise Travelmarvel of any pre-existing medical conditions that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues. Travelmarvel is not liable for any injury, illness, or loss of enjoyment which could have been reasonably prevented had we been made aware of a pre-existing condition and been provided an opportunity to review it. We will not be responsible for any costs associated with cancellation penalties or the return of passengers from a tour, and a refund for lost touring cannot be claimed.

#### SHORE EXCURSIONS

The timings of the shore excursions on all cruise holiday packages may differ slightly for each package. Timings of the shore excursions may differ slightly for each package and each departure. Guests must be able to climb ramps to embark or disembark cruise ships and tenders. Expedition cruise holidays require several wet landings, whereby feet and legs may be fully immersed in water during embarkation and disembarkation of zodiacs.

#### VISA AND PASSPORTS

All passengers must have a valid passport that is valid for at least six months after the holiday package return date. Passengers must consult with the appropriate consulates to ensure that they have any applicable visas for countries included in the holiday package prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. Travelmarvel is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas.

#### IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

**CHANGES OR ADDITIONS TO YOUR HOLIDAY**  
If you want to change any part of your holiday arrangements after the invoice has been issued, we will do our best to make the change, but it may not be possible. Any request for changes must be made in writing by the person who made the original booking, or their travel agent. If it is possible to make the change, it will be subject to an administration charge and payment of any further costs incurred as a result of the change.

#### CANCELLATION POLICY

The following Travelmarvel cancellation fees apply (in addition to charges of any independent suppliers e.g. airlines and hotels):

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. These cancellation fees are in addition to any fees that may be levied by Travelmarvel and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a

genuine preestimate of Travelmarvel's loss and are otherwise reasonably necessary to protect the legitimate interests of Travelmarvel. If you request changes after Travelmarvel has issued your documents, Travelmarvel may charge you an administration and processing fee of \$70 per person in addition to any applicable cancellation fees.

#### CANCELLATION OF TICKETED AIRFARES

A Travelmarvel cancellation fee of \$50 per person applies for ticketed airfares, in addition to any airline cancellation fees that are applicable.

#### CHANGES TO TICKETED AIRFARES

If you wish to amend the date or routing on your ticketed air booking, a Travelmarvel amendment fee of \$30 per person for the first change and \$85 for any subsequent changes will be charged in addition to airline change fees and additional taxes that are applicable. If, for any reason, a name change to a ticketed airfare is required, a \$125 per person name change fee will apply for every change in addition to any applicable airline fees.

#### IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY

If we change or cancel your holiday before your departure, Travelmarvel endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airlines, hotels etc., over whom we have no direct control. On occasion changes do have to be made, and Travelmarvel reserves the right to cancel or amend holiday packages/excursions accordingly. All tours require a minimum number of bookings in order to be financially viable and to have a pleasant group atmosphere. In the event adequate numbers cannot be achieved, it may be necessary to cancel a scheduled departure and offer the nearest possible alternative date (or a refund of the monies paid for arrangements made by Travelmarvel).

#### ON HOLIDAY
