"Viking shines as a cruise ship for grown-ups. It's unapologetically all-Scandinavian and, just like the Scandinavians themselves, utterly unostentatious. It may be the answer to every cruise-sceptic and design devotee's seagoing dreams..."

THE VIKING STORY

How one man's vision led to a new way to sail

"When we started Viking 25 years ago, we wanted to do things differently – and since then, our mission has resonated with curious travellers."

Torstein Hagen, Viking Chairman

TORSTEIN HAGEN, TRIESTE, ITALY

WHEN TORSTEIN HAGEN FOUNDED VIKING in 1997 with four river ships, he had few supporters and even fewer who believed in his vision. He was 54 years old and had spent much of his career in Norway in shipping, bearing witness to an industry that was ripe for change. Our Norwegian-born patriarch had a deep desire to create something different – and as anyone who has travelled with us will tell you, different is exactly what you get on a Viking voyage.

For more than 25 years our Chairman Torstein – who the Viking family knows simply as 'Tor' – has built an award-winning fleet of ships over 80 strong. First, we set the standard for modern river cruises, then we reinvented ocean cruises with the launch of our award-winning small ship voyages and now we have perfected expedition voyages, with our new, state-of-the-art expedition ships, *Viking Octantis*, and *Viking Polaris*.

A family-owned and operated business when we began, Viking remains a family-owned business to this day, with Tor ensuring his original vivid Viking vision is upheld with each passing year.

1997 — Viking River Cruises established by Torstein Hagen with the purchase of four river ships

1998 — Viking purchases nine additional ships and expands operations into the rivers of Europe

2000 — With the purchase of KD River Cruises, Viking becomes the largest river cruise operator in Europe

2005 — Viking introduces French balconies — the first river cruise line to do so

2012 — Four state-of-the-art Viking Longships launched, with patented layout and largest river cruise suites in Europe

2015 — Launch of Viking ocean cruising with *Viking Star* christened in Bergen, Norway

TORSTEIN & KARINE HAGEN, SVALBARD, NORWAY

VIKING OFFICES, LOS ANGELES, USA

One needs only to see the beautiful spaces on our ships or take part in a unique shore excursion to feel his high standards and strong eye for detail.

Our award-winning ships are prized for their artfully designed, timeless interiors and our service is a lesson in thoughtful, intuitive attention. We strive for meaningful experiences in every itinerary, and our standout approach to child-free, casino-free, curiosity-fuelled cruising with more added value keeps our well-travelled guests coming back time and time again.

In addition, our Health & Safety Program, developed in coordination with an international team of scientific and medical advisors, is one of the most well-researched and comprehensive in the industry. We are the first and only cruise line with full-scale PCR laboratories installed on board should they be required, along with industry-first sanitation robots and advanced air purification technology. So when you travel with us, you can explore the world in comfort – and with great confidence.

So if you join us every year to explore a new destination, welcome back. And if you're considering sailing with us for the first time, we look forward to welcoming you to the family.

We know you'll love exploring the world with us.

THE VIKING DIFFERENCE

Meaningful travel, tailored to you

AT VIKING, WE DO NOT TRY TO BE ALL THINGS TO ALL PEOPLE. Rather, our loyal guests continue to choose us every year because of our unique approach to ocean cruising that is defined as much by the things we include, as the things we leave out. Well-travelled and culturally curious, our guests are not interested in over-the-top ships or novel thrills, and neither are we. That's why we forgo things like casinos and black-tie dinners in favour of delivering meaningful experiences, tailored to you.

UNIQUELY VIKING

What makes us so different? We include more, where it matters most.

MORE VALUE

We don't underestimate the importance of good value, so we make sure to include more features and amenities in your cruise fare than other cruise lines. All meals, wine and beer with lunch and dinner, a shore excursion in every port, Wi-Fi, self-service laundries, gratuities and even access to our state-of-the-art spa are part of your Viking fare.

MORE CULTURE

With more time in port and more overnight stays, you'll have ample opportunities to soak up the fascinating culture of every destination you visit. On board, the cultural enrichment continues with educational lectures by destination experts, enough books to fill a library, live performances and meals bursting with local flavours.

MORE SPACE

One of the reasons our guests love our ships is because they cater to just 930 passengers. This allows every individual more personal space, including a private veranda in their stateroom, regardless of the cabin category. Our smaller ships are also naturally more nimble, so we can dock in the hard-to-reach places mega-liners can't, getting you closer to every destination.

MORE MEANING

We aren't called The Thinking Person's Cruise for nothing. We know that uncovering the art, food, wine and culture of the places we visit is important to you, so we focus our energy on creating meaningful onboard and onshore experiences that linger in the mind long after you disembark.

MORE STYLE

Our elegant Scandinavian-inspired interiors boasting beautiful blonde wood, clean lines and art-covered walls impress all who feast their eyes upon them.

THE THINKING PERSON'S CRUISE

Created for discerning travellers with true explorer spirits

THEY SAY THAT A CHANGE IS AS GOOD AS A HOLIDAY, but at Viking we think that a holiday can inspire change. We believe travel should be more than just an escape from the ordinary, so when you travel with us you'll not only uncover some of the world's greatest riches, you'll almost certainly discover something about yourself, too.

We offer myriad ways for our guests to celebrate on board, from atmospheric bars playing live music to exotic cooking demonstrations and thrilling dance performances. But we also know that many of our guests' most treasured memories are of a much quieter nature: moments of speechless awe while walking in the steps of ancient explorers, or inner quietude while sitting on their private veranda with nothing before them but the wide, blue sea.

ONBOARD LECTURERS

SPLIT, CROATIA

EXPLORE, LEARN, UNDERSTAND

Our itineraries have been expertly curated to provide these meaningful moments to our curious, well-travelled guests. Offering greater cultural insight and personal enrichment, we give you opportunities every day of your voyage to engage with your destination through its food, landscapes, culture and history.

Before you travel, we get your inner journey underway by providing you with materials to help you plan and anticipate your voyage. From destination-specific photography advice by professionals to filmographies that inspire wanderlust and recommended reading that informs and enlightens, we begin to broaden your horizons long before you pack your bags.

Once comfortably on board, because we know you always want to learn more, countless activities are on offer that have been designed to educate and inspire. Instead of onboard novelties, we offer world-class lectures on history and art, tastings of vintage wines, restaurant menus inspired by local cuisine and a vast selection of fascinating books, carefully curated in partnership with London's prestigious and historic bookshop, Heywood Hill.

ART, HISTORY, CULTURE

With various cultural partnerships in place around the world including with the Metropolitan Opera, Los Angeles Ballet and Los Angeles Philharmonic in the USA, Viking also brings its guests closer to art, history and culture while on shore. You might accompany the ship's chef on a visit to a local market, step behind the scenes at a famous theatre company, tour a chocolate or car factory or view private collections and hidden vaults at world-class museums.

OLYMPIA, GREECE

ENRICHMENT LECTURES

EMBRACING HYGGE

Underneath all of this excitement and at the root of every Thinking Person's Cruise is a recognition of hygge (pronounced "hyh-geh") – a Nordic way of life. In embracing our strong cultural roots, we ensure that your inspiring Viking voyage is also one of comfort and contentment. From a peaceful cup of tea enjoyed in The Living Room to that surprising conversation sparked with a like-minded traveller while watching a movie under the stars, our aim is to help you feel more connected – to new friends and the world – on every single voyage. And with more than 250 ports across over 80 countries within reach on our fleet of Viking ocean ships, we've never been more easily connected to the rest of the world and the golden discoveries that await there.

Now that's something to think about.

"My brain lights up like an electrical substation.
My blossoming knowledge is entirely due to this journey.
The experiences – whether on or off the ship – are enriching:
the sights, sounds and flavours arouse my attention, while the cultural exploits spark my imagination. Viking inspires you to be curious about the world and your surroundings; it triggers you to ask 'I wonder why' at every turn."

Kate Armstrong, Freelance Travel Writer

THE SMALL-SHIP EXPERTS

Intimate voyages that give you more time in port

AT VIKING, we believe bigger doesn't always mean better. Our fleet of small river vessels paved the way for a new standard of intimate yet sophisticated cruising over 20 years ago, and since then we have redefined and refined what it means to sail on a smaller scale. Today, with our award-winning ocean ships that cater to just 930 guests, we have solidified our reputation as the small-ship experts as we take our intimate voyages to the high seas.

WE DOCK WHERE OTHER SHIPS CAN'T

Because our vessels are smaller, they have greater maneuverability and can dock where the mega-liners that dominate today's ports cannot. On a Viking ship, you will sail into the very heart of some of the world's greatest cities such as London, Hong Kong and Monaco. Boasting prime, central berths in even seldom-visited ports like Kotor, Montenegro and Scotland's Shetland Islands, your ship is always just a short walk from opportunities to discover enriching local experiences to satisfy your inner explorer.

MORE TIME IN PORT

As beautiful as our ships are, we know our exciting itineraries are an integral part of the Viking experience – so we give you more time in port on all ocean voyages, including overnight stays in virtually all ports of embarkation and disembarkation. That means you can take your time meandering through the local markets or enjoying dinner under the stars at that seaside restaurant, without the pressure of rushing back to port.

WE MAKE SURE YOU FEEL AT HOME

When you do step back on board, it will be onto a ship that feels comfortingly familiar. We proudly own and operate all our ships, with each ocean ship featuring an almost identical, considered interior and offering the same reliable, seamless Viking service we're known for. So whether you're about to voyage across the Pacific Ocean or sail over the calm azure waters of the Ionian Sea, when you embark on a Viking ship it will always feel like coming home.

"Viking is classed as a small ship, carrying up to 930 guests. That's certainly fewer than those mega ships that so many equate with cruising. But equally there are so many different areas that it's always easy to find a quiet spot."

VIKING INCLUSIVE VALUE

Everything you need and nothing you don't

SUN DECK

WHEN YOU'RE A GUEST ON A VIKING SHIP, we want you to feel at home, so go ahead and leave your wallet in your stateroom. We don't think you should have to spend every time you want a cup of coffee, need to do your laundry or feel like browsing the internet, so we have designed our fares to include as many features and services as possible.

We know how important good value is to our guests, so our voyage fares include everything that you need — like meals and beer and wine with lunch and dinner, shore excursions, Wi-Fi, self-service laundries, onboard gratuities and port taxes and fees.

How can we offer this incredible value? As the world's leading river cruise company, we already have an operational base that permits us certain efficiencies of scale. This applies to the world-wide buying power we leverage when it comes to operational costs, as well as to the significant 'intellectual capital' that exists within our organisation, including our experienced executive management team.

"The all-inclusive aspect of Viking's trip is wonderful – it makes the journey much less stressful. You can enjoy the wonderful meals and quality drinks at meals without having to fret about the prices of each dish. The included excursions are tremendous too.

SERENE SCANDINAVIAN SPACES

Comfort in every corner. A story in every space.

IN TRUE VIKING STYLE, we take a different approach to design on our ocean ships – so much so that if it weren't for the all-encompassing water views, you wouldn't know you were on a cruise ship at all. We engaged esteemed hotel designers to design and furnish our beautiful interiors, so that from the moment you step on board you will feel the same sense of serenity, warmth and comfort symbolised in the Norwegian concept of hygge. This notion of quiet contentment is in the very air of our light-filled, serene spaces, which together create a true home at sea for our guests.

TIMELESS STYLE

Minimalistic, sleek and modern yet textured, warm and inviting, our signature Scandinavian style imbues every space on board, in a showcase of calming symmetry, exquisite craftsmanship and an abundance of natural materials. Our graceful rooms are equal parts beautiful and functional, and our public spaces are the perfect expression of a timeless design approach that is loved the world over.

NORDIC INSPIRATION

With inspiration pulled from the exploratory spirit of the original Vikings, you'll encounter our Nordic heritage in every storied space on board our ocean ships. Clean lines, warm blonde joinery and touches of slate nod to our forbears' connection to the natural world, while leather and colourful woven textiles recall the patterns of early Norwegian craftsmen. A clinker-built bar pays tribute to the Viking longships of yesteryear; the Explorers' Lounge is a display of cozy pelts, Turkish marble, amber and pewter inspired by far-reaching trade journeys; and soothing, natural Swedish limestone and fragrant juniper wood abound in the LivNordic Spa.

"The décor on Viking ships is pretty special. Muted colours, Scandinavian chic and light-filled spaces make its interiors elegant but very comfortable, and you get a wonderful sense of cosiness and intimacy."

Brian Johnston, Freelance Travel Writer, SMH/Age Traveller

IT'S ALL IN THE DETAILS

It's the little things that make our ships feel like home

AS YOU SETTLE IN ON BOARD, we encourage you to take a closer look around. Because we know that it's the little things that make the biggest difference when you're away from home, we have designed our ships down to the finest detail. The floor-to-ceiling windows found throughout the ship ensure our guests are immersed in their destination from dawn 'til dusk, and we purposefully face many of our sun loungers outward to provide further opportunity to soak up the sweeping sea views. We even source the flour for our kitchens from Minoterie Planchot, because, as our Executive Chef says, "you cannot make real French bread unless you use French flour."

Every onboard feature has been chosen with purpose, and every design flourish holds a tale that can be traced back to our Nordic heritage. The warm, Scandinavian-style Living Room is teeming with nautical touches and houses a clinker-built bar that nods to ancient Viking longships. In the atrium, you'll find a delicate Lichen garden under the stairs, sourced straight from the Finse mountains in Norway. And the design of each Explorers' Lounge across our fleet of ocean ships was inspired by a different explorer, such as former NASA astronaut Anna Lee Fisher – the first mother in space – who inspired the galaxy-themed lounge on *Viking Orion*.

MAMSEN'S CROCKERY

THE LIVING ROOM

Storied dining
The tableware at Mamsen's, our traditional Norwegian deli that is named after family matriarch Ragnhild "Mamsen" Hagen, is a replica of the china used in Chairman Tor's family home. After Mamsen passed away, the family found her century-old dishware, and engaged the original producer – Figgjo Norway – to replicate the pattern for Viking guests to enjoy as they journey across the oceans.

In fact, everything about our deli was inspired by Mamsen's love of sharing quality food with family. The dishes originate from Mamsen's very own kitchen, including her Norwegian waffle recipe, a guest favourite on board. To ensure the perfect result, the waffle irons used to make them are replicas from Mamsen's original kitchen.

Functional staterooms
After a lifetime spent living in hotels, our Chairman wanted to ensure every detail of our ships was elegantly functional. That's why our staterooms feature easy-to-read and open premium bath products, gimmick-free and intuitive remote controls, large and easy-to-access showers, anti-fog mirrors and heated floors. They also feature generous closets with plush robes and slippers, multiple US/EU power outlets and USB ports, and conveniently placed light switches.

Books by the best
Our incredible onboard libraries have been curated by prestigious London bookseller, Heywood Hill. This historic Mayfair bookshop specialises in creating libraries built around a personal passion or interest, and has curated collections for the Queen and Prince of Wales. The Heywood team spent many hours on board getting to know our guests, hand-picking the libraries for each Viking ship that would spark the curiosity of all who cruise with us.

Artful from stern to bow
Our ships are proudly peppered with one of the largest collections of works by master expressionist Edvard Munch outside of Oslo's Munch Museum. Combined with our thoughtfully curated collection of classic and contemporary paintings, sculptures, tapestries and photographs by renowned and up-and-coming Scandinavian artists, guests have access to a veritable floating museum of Nordic riches.

Ponder the replica *helleristninger* (rock carvings) – a nod to pre-Viking Age Scandinavia; admire the detailed Bayeux Tapestry, which tells the story of the Battle of Hastings; or be bewitched by Norse mythology under the Yggdrasil-inspired trellis in the Wintergarden, home to the Tree of Life and where the ravens Huginn and Muninn perch on the shoulders of Odin – the god of war.

DESTINATION-FOCUSED DINING

More variety and the most al fresco dining at sea

WE THINK BIG WHEN IT COMES TO SMALL-SHIP DINING. Not only do we offer eight dining options on board – all included in your cruise fare – but we also boast the most al fresco dining available at sea. With four restaurants, a Norwegian deli, private dining rooms and even a spot for afternoon tea on every ship, there's plenty of exciting culinary variety both indoors and out, every day of your Viking voyage.

We think that food is one of the best ways to experience a destination, so we make sure to take your tastebuds travelling when you're on board too. Our talented chefs are dedicated to creating unique dishes that reflect the destinations you are visiting, incorporating fresh ingredients sourced from local markets and suppliers at ports of call.

Our main dining venue, The Restaurant, features the widest menu choice on board, presenting fine cuisine amid a chic setting with sweeping views that make every meal all the more memorable. For something different, our alternative restaurants shine a spotlight on exciting regional specialties, while still catering to those western classic cravings.

Enjoy freshly prepared pasta and Chianti by the carafe at Manfredi's; international fare at the World Café; a multi-course tasting menu with wine pairings with The Chef's Table; gourmet burgers at the Pool Grill and afternoon tea and scones at the Wintergarden.

In a nod to Viking's heritage, our ocean ships even feature a traditional Norwegian deli, where you can enjoy delicious, light meals based on Torstein Hagen's mother's own recipes.

Oenophiles will be thrilled to know that vintage wines are always included with lunch and dinner, while after-dinner drinks, including rare Armagnacs, are available to purchase at our late-night bar, Torshavn.

With so many options to taste, sip and swirl onboard, there is something to please every palate.

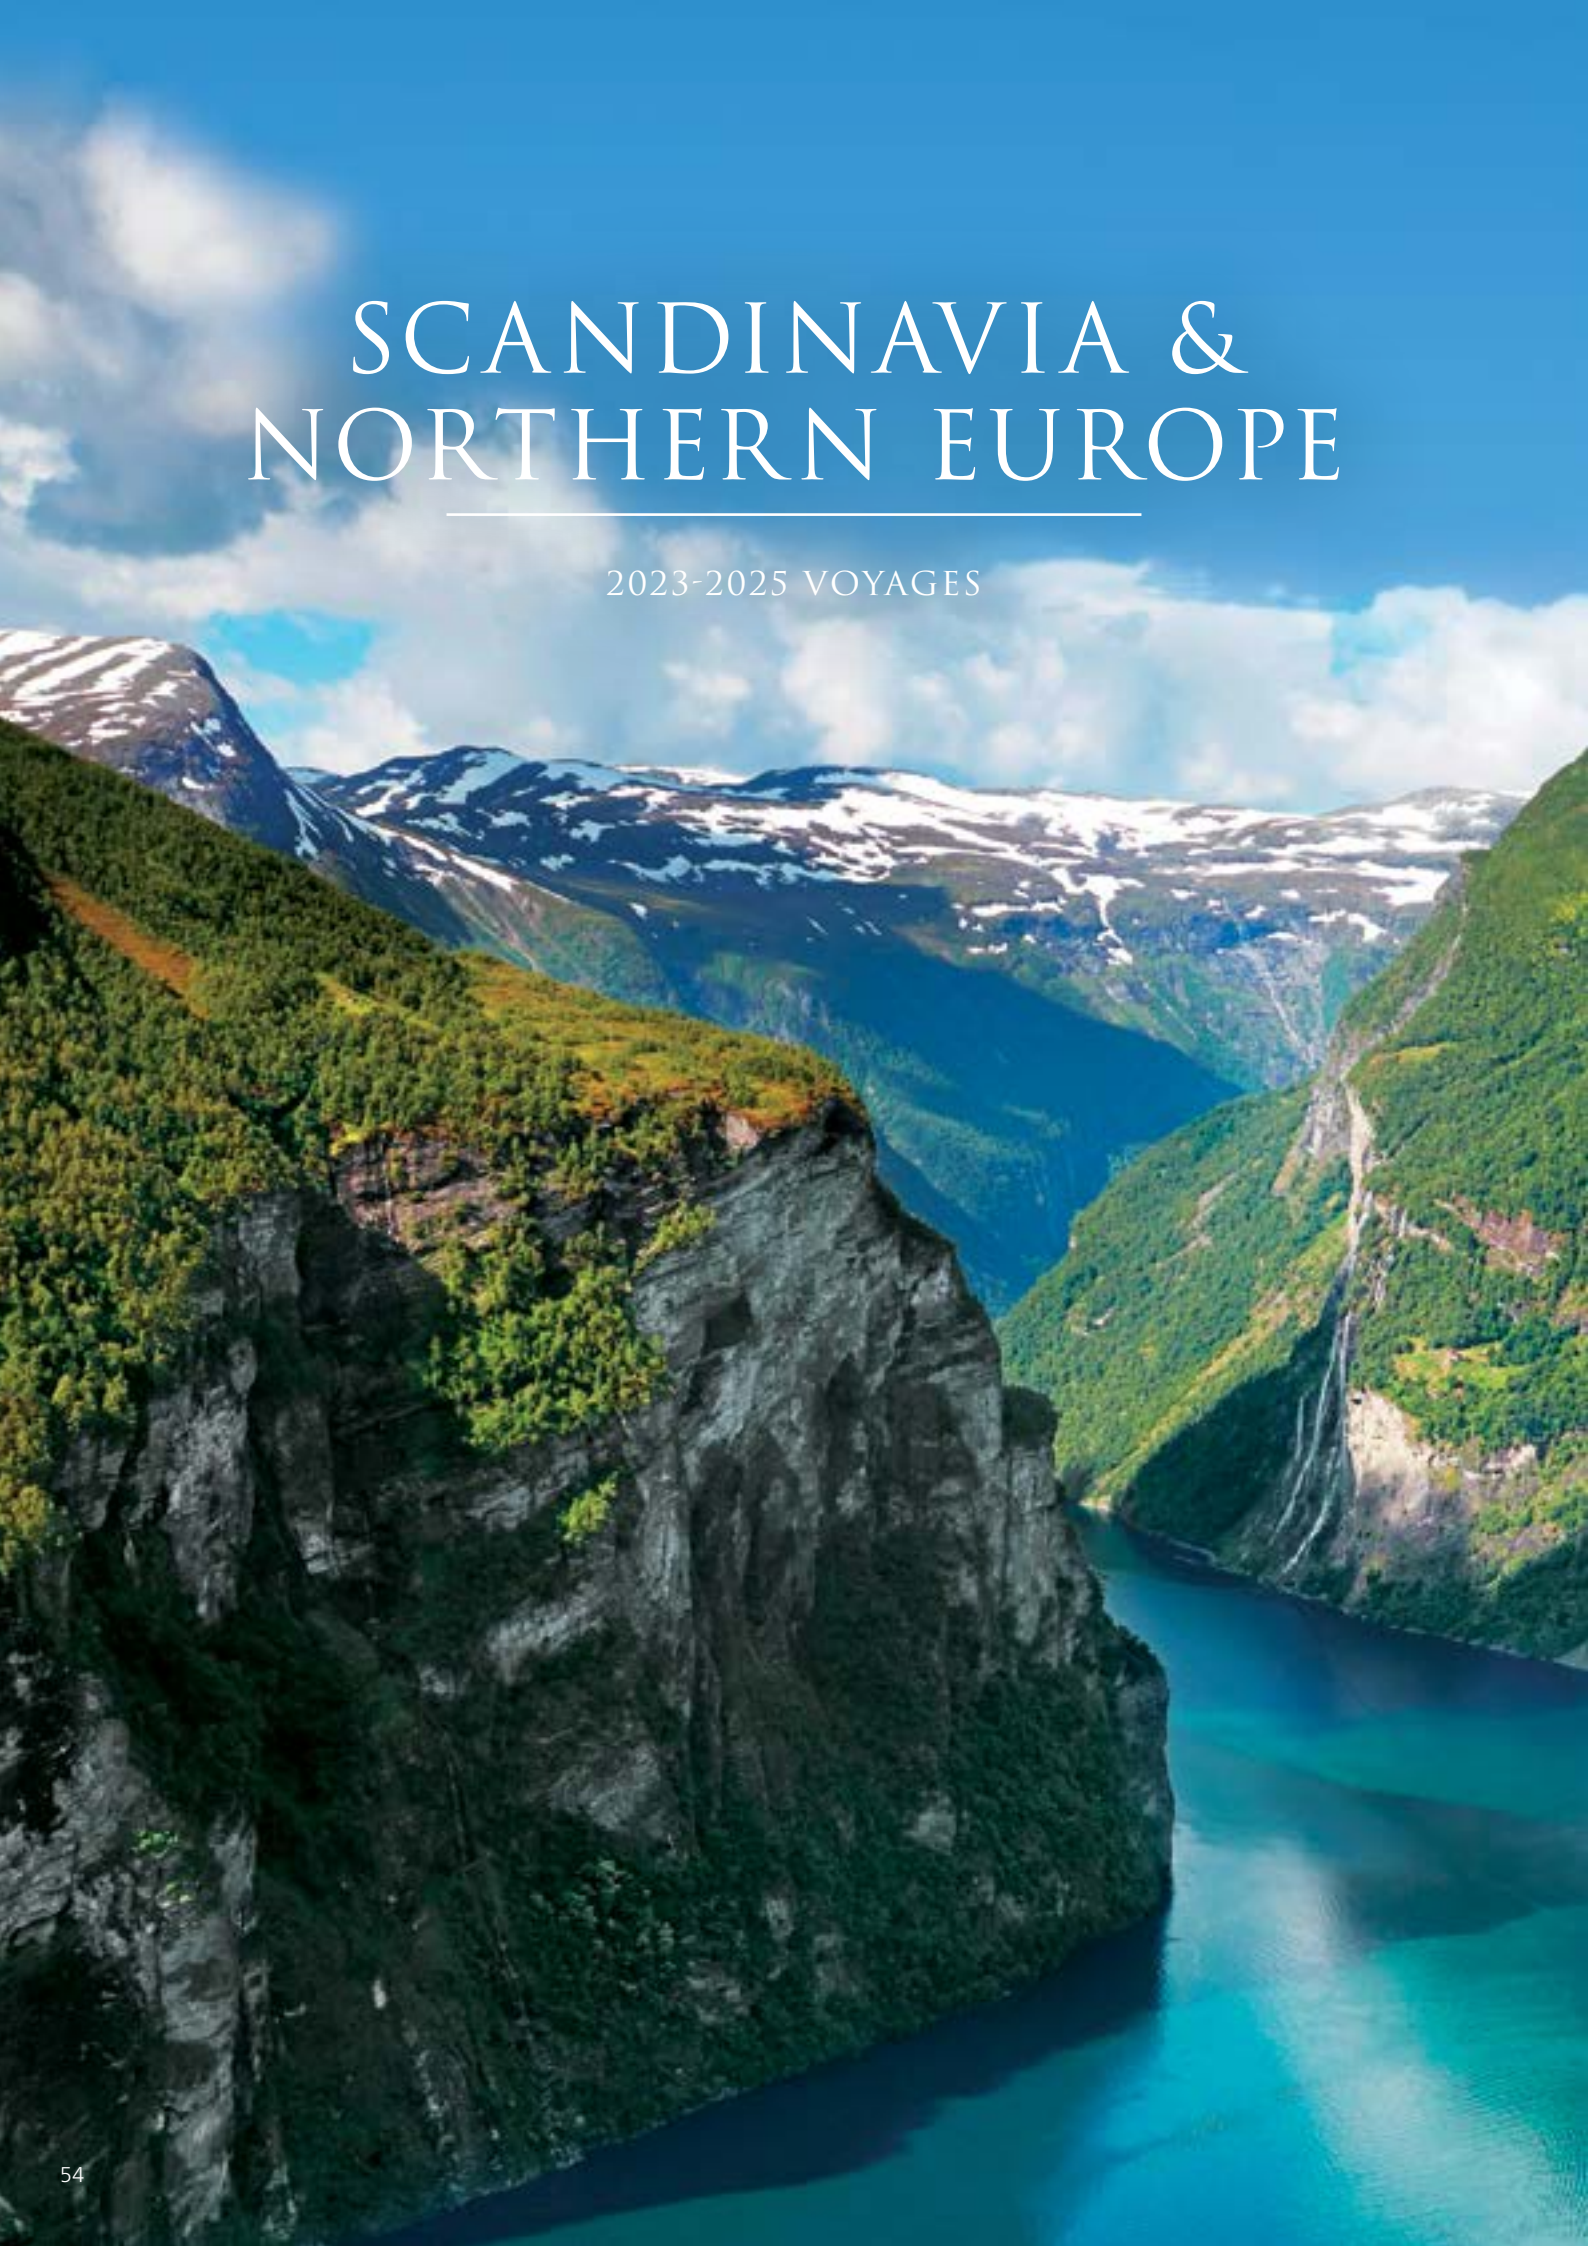
SCANDINAVIA & NORTHERN EUROPE

2023-2025 VOYAGES



There's a reason we're regarded as the Scandinavia and Northern Europe experts. Our chairman, Torstein Hagen, hails from Norway – a country whose culture was born of the sea – and began his shipping career there. So when you explore this magnificent part of the world with Viking, you'll be doing it with people who have an unmatched understanding of its culture, scenery, and people. Quite simply, you'll discover Scandinavia and Northern Europe with those who know it best.

Our peerless itineraries deliver iconic must-sees while uncovering rich insights. Glide through shimmering Norwegian fjords as you learn the incredible true story of the Vikings, and sail along gleaming coastlines to explore remote outposts. Visit dynamic, progressive cities like Copenhagen, Edinburgh, Stockholm and Oslo, or immerse yourself in new lands, witnessing the magnificent natural beauty of Iceland and Greenland.

In the peak of winter, you won't want to miss the north, where you'll have the opportunity to head off in search of the otherworldly aurora borealis, and feel the true spirit of Norway in the magical, snow-dusterd landscapes.

As you enjoy more time in port, more overnight stays and the long daylight hours of the midnight sun, you will see the Nordic world as never before: through the eyes of those who call it home. Let Scandinavia's delicious concoction of history, culture, modernism, and spectacular natural beauty sweep you away.

In Corfu's Old City, enjoy a guided walk along the historic cobblestone streets, and see Casa Parlante and the Church of St. Spyridon.

Enjoy the bounty of Croatia's stunning Dalmatian Coast. In Orašac, see the operation of a horse-driven olive oil mill and taste the different oils alongside locally made cheeses, smoked ham and wine. In Ponikve, sample red and white varietals in local wine cellars. And in Ston, enjoy a lunch of fresh oysters, mussels and more.

SECRETS OF DOGE'S PALACE

Enjoy Privileged Access to the secret passageways of Venice's Doge's Palace — the halls, rooms and chambers hidden from the public eye. With your local guide, see the stone cells that held prisoners of the Venetian Republic, including its most famous captive, Casanova. ALBEROBELLO, THE TRULLI VILLAGE

Prepare to be captivated by Alberobello's magical forest of tiny conical, beehive-shaped huts called *trulli*. QUIET SEASON MEDITERRANEAN

2023-2025 VOYAGES

The quiet season may just be the best time to visit the Mediterranean. Fewer travellers, easier access to landmarks and easy-going interactions with locals, coupled with low-season airfares, not only make autumn and winter ideal for exploring but also for maximising your travel dollar.

For many travellers, autumn and winter are opportune times to visit the Mediterranean. The Mediterranean continues to shine regardless of when the summer sun has set. The cities and villages of the coast put on a different face. Vineyards are out to bed after the harvest, the bustle has died down and the vast open squares of great cities can be seen in their more natural state: as an uncrowded gathering spot for locals.

As the temperature cools, explore some of Italy's most flavourful produce, such as truffles, grapes, mushrooms, pumpkin, and eggplant. Reconnect with nature by soaking in breathtaking sunsets, crystal clear waterways, and bright stars illuminating the night sky. Celebrate the festive season in one of the world's most appealing regions and delight in festive lights and markets during the holiday season.

Take in the sights more fully at a more relaxed pace, enjoy more comfortable touring in cooler air and linger at places that interest you with fewer crowds to navigate. See the Mediterranean in a different light as you travel its shores of history and uncover treasures from east to west.

DOGSLEDDING ON MENDENHALL GLACIER

From the heliport, soar over the spectacular Alaskan landscape and admire the rainforests, alpine ridges and glacial valleys below. Land near an authentic dog mushing camp and join your musher and his team of Alaskan huskies as they take you across this rugged terrain on a bracing sledding experience.

WHITE PASS SUMMIT BY VINTAGE RAIL CAR

Retrace the steps of the Yukon's fortune seekers in their 19th-century quest for gold. Travel by vintage rail car and marvel at scenic mountain vistas as you climb along Alaska's White Pass summit. TRAVEL AGENTS

Your travel agent acts solely for you as your agent, and not as agent for VRC or the Carrier, in making the arrangements for the cruise or cruise tour and any related transportation, lodging or activities. Receipt by your travel agent or other authorized individual (including any person who books a cruise or cruise tour on your behalf) of these or the Passenger Ticket Contract or other information from Carrier or its agent shall constitute receipt of such materials by you. If your travel agent fails to remit any monies paid by you to the travel agent, you remain liable for the monies due Carrier.

TRANSFERS

Roundtrip airport-to-vessel transfers are only included when air is purchased with a tour package. Transfers are only valid on tour departure and arrival dates. TRAVEL DOCUMENTS, PASSPORTS, VISAS

Upon initiation of pre-boarding procedures, you shall have in your possession the Passenger Ticket Contract, a passport valid until six (6) months following disembarkation, any necessary visas, affidavits, inoculations and/or vaccination cards compliant with the requirements of the destinations visited, proof of travel insurance where required by the destination visited, and all other documents necessary for the scheduled ports of call and final destination. You are advised to check with your travel agent or consulate service to determine what documents are required for your travel. It is your responsibility to ensure that you have all necessary documents to participate in the cruise or tour(s) purchased and neither VRC nor the Carrier accepts responsibility for obtaining required visas or for advising passengers of visa or other immigration requirements. If incorrect travel documentation is obtained, passengers may be unable to participate in particular shore excursions and/or may be denied boarding and/or entry into certain countries. Entry into other countries may be refused even if the required information and travel documents are complete. Visa kits from an independent third party are provided upon request as a service to passengers selecting destinations in Russia, China, Egypt, Jordan or Southeast Asia. Please note that, due to airline security measures, if the name on your passport does not match the name on your airline ticket, you may be denied boarding. Final travel documents are issued 3 weeks prior to departure. Documents required prior to 3 weeks will be charged a AU$50.00 processing fee.

Ports); choice of law and class action waiver; as well as terms and conditions relating to covid-19 policies and procedures. VRC is entitled to rely upon and benefit from all the carrier's rights, limitations of and exemptions from liability, defenses and immunities set forth in the passenger ticket contract.

Persons or entities providing travel services and/or accommodations for your cruise tour are independent contractors and are neither agents nor employees of VRC. All arrangements

made for you are with independent contractors otherwise referred to as third-party providers and are made solely for your convenience and at your sole responsibility and cost. VRC shall not be liable for the inability of any third-party provider/ independent contractor to perform any travel service or accommodation referred to in the VRC advertising or any part thereof, or resulting from restrictions imposed by covid-19 policies and procedures, including those restrictions affecting participation, location, time, eligible venue, and persons with whom you may come into contact, as well as restrictions on the number of guests going ashore in any port of call, and/or going ashore to specific travel service, accommodation or activity. If the entire cruise is cancelled other than by you for any reason, you shall have no claim other than for a full refund of the cruise fare, or, if expressly provided in the passenger ticket contract, a future cruise credit for the value of such cruise fare. The passenger ticket contract constitutes the sole agreement between the carrier and you, it being understood that the various independent contractors otherwise participating in your cruise tour may enter into their own separate contractual arrangements with you, and regardless, you assume the risk of utilizing the services and facilities of those independent contractors. Neither VRC nor the carrier are responsible for any conduct of independent contractors, including those who may assist in or operate shore excursions.

Neither VRC nor the carrier shall in any circumstances be liable to you or any other party for indirect, consequential, incidental, special, punitive or exemplary damages arising out of or related to the booking, the passenger ticket contract, the cruise tour, or the products or services sold hereunder, including but not limited to lost profits or loss of business, even if we have been apprised of the likelihood of such damages occurring.

WAIVER OF CLASS ACTION

These terms and the passenger ticket contract provide for the exclusive resolution of disputes through individual legal action on your own behalf instead of through any class or representative action. Even if the applicable law provides otherwise. You agree that any lawsuit whatsoever against the carrier or vrc shall be litigated by you individually and not as a member of any class or as part of a class or representative action, and you expressly agree to waive any law entitling you to participate in a class action.

Any additional costs including penalties for cancellations/re-bookings will be made at the passenger's expense unless otherwise required by law. All airline tickets issued by VRC are non-refundable. Neither VRC nor Carrier are responsible for altered travel plans caused by airline delays or for any act, omission or event occurring with the airline. In some cases VRC may not be able to confirm ancillary services including, but not limited to airline seat assignments, frequent flyer credit, special meals, and wheelchair requests. In some cases, these ancillary services may not be offered by the airline, or in other cases, may be arranged by a passenger's travel agent or directly with the airline. Airline-imposed baggage fees and other fees may apply and be charged by the air carrier at the time of service.

PUBLIC HEALTH; ACKNOWLEDGEMENT AND ACCEPTANCE OF RISKS; COVID-19 POLICIES AND PROCEDURES

a. Physician Consultation Recommended; Acknowledgement of Health Risks. You are encouraged to discuss the advisability of travel with your physician and to review the websites of the United States centers for disease control and prevention ("cdc"), the world health organization ("who") or other relevant government agencies for updated information. You acknowledge, understand and accept that while aboard the vessel, in terminals and boarding areas, or during activities ashore and/ or while traveling to or from the vessel, you or other guests may be exposed to communicable illnesses, including but not limited to covid-19, influenza, colds and norovirus. You further understand and accept that the risk of exposures to these communicable illnesses and others is inherent in most activities where people interact or share common facilities, are beyond carrier or vrc's control, and cannot be eliminated under any circumstances. You knowingly and voluntarily accept these risks as part of your passenger ticket contract, including the risk of serious illness or death arising from such exposures, and/or all related damages, loss, costs and expenses of any nature whatsoever

b. Right to Refuse Booking or Passage, to Disembark or Quarantine. Unless otherwise prohibited by applicable law, Carrier reserves the right to refuse a booking, deny embarkation, disembark, confine to a stateroom, quarantine or remove any person from a cruise tour or Optional Shore Excursion who may be suffering from a contagious or infectious disease (including but not limited to COVID-19), or who, in Carrier's sole opinion, is not fit to travel, or whose presence, in the opinion of the Master or any doctor, may be detrimental to the comfort, safety or wellbeing of the person or any other person, or in the Master's opinion, might be excluded from landing at any destination by immigration or other governmental authorities. You agree that such decisions are final and binding.

c. Agreement To Comply With COVID-19 Policies and Procedures. In developing COVID-19 Policies and Procedures, Carrier observes the guidance and directives of cognizant health authorities. You acknowledge that these directives may change from time to time and that carrier's covid-19 policies and procedures may therefore change. You expressly agree to comply not only with the covid-19 policies and procedures as they are described herein, but also as they are set forth at http://viking.Com/ healthandsafetyprogram, or expressed in any communication (such as an envogram message or instructions delivered in writing or orally by carrier personnel) at all times including pre-embarkation, during embarkation procedures, while on board, during port calls and shore excursions and/or final disembarkation. In case of any conflict between the covid-19 policies and procedures described herein or in your passenger ticket contract or in any later communication, the most recent communication controls and your agreement to abide by carrier's covid-19 policies and procedures constitutes an integral part of your passenger ticket contract.

d. COVID-19 Policies and Procedures. You acknowledge that Carrier's COVID-19 Policies and Procedures may or will include (but may not be limited to): (1) completion of accurate, truthful and complete health questionnaires containing any health or travel-related questions as determined by Carrier in its sole discretion based on advice from cognizant government or health authorities or medical experts for each passenger prior to leaving home (which will be made available at www.myvikingjourney.com), prior to boarding during pre- embarkation procedures, and daily (or otherwise periodically) onboard during the cruise; (2) pre-embarkation COVID-19 testing (such as but not limited to polymerase chain reaction ("PCR") testing) which may be followed by a period of isolation until test results are available; (3) COVID-19 testing (such as but not limited to PCR testing) periodically, at the discretion of Viking, during the cruise; (4) temperature checks of each passenger prior to boarding (including at hotels and during embarkation procedures) and daily (or otherwise periodically) during the cruise (which may include the use of facial recognition technology); (5) modified capacity rules for activities (including but not limited to restaurants, lounges, gyms, and entertainment events onboard and for shore excursions) which may limit or eliminate the ability of passenger to participate in particular activities or use particular facilities; (6) mandatory use by each passenger of face masks meeting the guidelines at https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/ about-face-coverings.html, or otherwise acceptable to Carrier, prior to embarkation (including at airports, during ground transportation or during hotel stays), during embarkation procedures, while onboard and during disembarkation and shore excursions, except when in passenger's own cabin, while eating or drinking,where social distancing is possible, or when on open passenger decks or stateroom verandas; (7) mandatory social distancing and/or cohorting of passengers at any/all times prior to embarkation (including at airports, during ground transportation or during hotel stays), during embarkation procedures, while onboard and during disembarkation and shore excursions; (8) additional restrictions during shore excursions depending on local conditions, including but not limited to denial of disembarkation at destinations unless participating in only Carrier-approved shore excursions; (9) mandatory hand-sanitizing by passenger upon entry or exit of any public areas; (10) confinement of passengers to cabins (both passenger's own cabins and cabins specially used for isolation), quarantine or emergency disembarkation of passenger if, in Carrier's sole discretion, such steps are necessary to prevent

or slow the spread of COVID-19; (11) the required completion by passenger in a timely manner of any written authorizations or consent forms required for Carrier to carry out its COVID-19 Policies and Procedures (including but not limited to medical information, medical privacy, or personal data privacy consent forms); (12) the timely submission by passenger of any medical samples required for Carrier to carry out its COVID-19 Policies and Procedures; (13) cooperation by Passenger during any initial or follow-up medical evaluations (including by telephone, in-person, or in writing and including prior to travel, any time prior to embarkation and during the cruise) of any passenger whose responses to questionnaires, test results, or other information leads Carrier to believe a passenger may have or have been exposed to COVID-19; (14) the timely submission by passenger of contact-tracing information; (15) vaccination of guests with documentary proof satisfactory to Viking, according to the criteria set forth in the COVID-19 Policies and Procedures in effect at the time of sailing; and (16) other policies and procedures deemed by Viking in its sole discretion to be necessary to reduce the risk of spread of COVID-19.

e. Consequences of Noncompliance With COVID-19 Policies and Procedures. Notwithstanding any other provision contained herein, any noncompliance by you or members of your travelling party with Carrier's COVID-19 Policies and Procedures or your Passenger Ticket Contract shall be grounds for refusal to board, refusal to re-board after going ashore, quarantine onboard the Vessel, disembarkation, reporting to governmental or health authorities, or other steps deemed necessary in Carrier's sole discretion under the circumstances to protect the health and well-being of others. Under these circumstances, you shall not be entitled to a refund or compensation of any kind. You will be responsible for all related costs and fines, including without limitation travel expenses, lodging and medical expenses, and for proper travel documentation for any port, or for departure from or arrival to the U.S. or your country of residence. Under no circumstances shall Carrier or VRC be liable for any damages or expenses whatsoever incurred by any passenger as a result of such denial of boarding, refusal to re-board, quarantine, disembarkation, or other steps taken by Carrier or VRC.

f. Confirmed Or Suspected COVID-19 Case Before Embarkation. You agree that if, at any time within 14 days prior to scheduled embarkation or during embarkation procedures, you test positive for COVID-19, you exhibit signs or symptoms of COVID-19, or Carrier otherwise determines in its sole discretion that you are unfit to embark due to COVID-19 or any other communicable disease, Carrier will deny you embarkation. You further agree that if, within 14 days prior to scheduled embarkation, you and/or any persons travelling with you have had contact with or helped care for anyone suspected or diagnosed as having or anyone subject to health monitoring for possible exposure to COVID-19 or other communicable disease, you may be subject to medical evaluation and denied embarkation.

If you are denied embarkation because of an infection, confirmed by a medical test, with COVID-19 or other communicable disease, unless Carrier determines that you have failed to comply with its COVID-19 Policies and Procedures or your Passenger Ticket Contract, you will be entitled to a future cruise credit equal in value to the amount you paid as Cruise Fare, subject to your providing satisfactory verification of results of any tests administered by providers other than those retained by Carrier. If you are denied embarkation because Carrier, in its sole discretion, suspects you may be infected with COVID-19 or other communicable disease, unless Carrier determines that you have failed to comply with its COVID-19 Policies and Procedures or your Passenger Ticket Contract, you will be entitled to a future cruise credit equal in value to the amount you paid to as Cruise Fare. If you are denied embarkation because of a confirmed or suspected infection with COVID-19 or other communicable disease, under no circumstances shall Carrier or VRC have any other liability for any other compensation or other damages whatsoever, including but not limited to compensation for lodging or travel, or medical care.

g. Confirmed Or Suspected COVID-19 Case After Embarkation. You further understand and agree that if, after embarkation, and even if you have fully complied with all COVID-19 Policies and Procedures, you test positive for or exhibit signs or symptoms of COVID-19 or other communicable disease, Carrier may disembark you, refuse to re-board you after a shore excursion, or quarantine you as well as members of your travelling party, or take other steps which Carrier determines, in its sole discretion, are necessary under the circumstances to protect the health and well-being of others.

If you have a case of COVID-19 or other communicable disease which is confirmed by a medical test and you are disembarked, refused re- boarding, or quarantined as a result, unless Carrier determines that you have failed to comply with its COVID-19 Policies and Procedures or your Passenger Ticket Contract and subject to your providing verification satisfactory to Carrier of results of any tests administered by providers other than those retained by Carrier, you will be entitled to a future cruise credit equal in value to the amount you paid as Cruise Fare prorated to the time of the disembarkation, refusal to reboard or quarantine. If, after embarkation, Carrier, in its sole discretion, suspects you may be infected with COVID-19 or other communicable disease and you are disembarked, refused re-boarding or quarantined as a result, unless Carrier determines that you have failed to comply with its COVID-19 Policies and Procedures or your Passenger Ticket Contract, you will be entitled to a future cruise credit equal in value to the amount you paid as Cruise Fare prorated to the time of the disembarkation, refusal to reboard or quarantine. If, after embarkation, you are disembarked, refused re-boarding or quarantined because of a confirmed or suspected case of COVID-19 or other communicable disease, under no circumstances shall Carrier or VRC have any other liability for any other compensation or other damages whatsoever, including but not limited to compensation for lodging or travel, or medical care.

PASSENGER'S WARRANTIES AND FITNESS; PREGNANCY; ACCESSIBILITY LIMITATIONS; HEALTH AND SPECIAL NEEDS; EXPEDITION CRUISES

a. Warranties and Fitness: You warrant that you and all other passengers traveling in your party are physically, emotionally and otherwise fit to undertake the cruise or cruise tour; that you and they have received all medical inoculations or vaccinations necessary; that you and they will at all times comply with the ship's rules and regulations, including the COVID-19 Policies and Procedures and the orders and directions of the ship's Master, officers and medical staff, as applicable, and that your conduct will not impair the safety of the ship or jeopardize or inconvenience other passengers. VRC and Carrier are not required to provide any inoculations, vaccinations or specialized health or mental care during your cruise tour and all such arrangements are your responsibility. VRC and the Carrier are unable to accommodate women past their 24th week of pregnancy. You are further advised that the living standards and practices at your travel destination(s), including those with respect to the provision of utilities, services and accommodation, may differ from those found in Australia or New Zealand.

b. Special Needs: You are strongly encouraged to advise us at 138 747 for Australia and 0800 447 913 for New Zealand of any accessibility requirements prior to booking so we can determine if reasonable accommodations are available. Please request the appropriate accessibility form for you to review, sign and return to us. Passengers are requested to advise us in writing, at or prior to the time a cruise or cruise tour is booked, of any physical, emotional or mental condition which may require accommodation during the cruise or cruise tour, including if the passenger requires the use of a wheelchair or other mobility equipment, not to exceed 56 cm in width. Passengers must bring and be solely responsible for all necessary items related to the medical condition or mobility challenge. If a mobility, medical, physical, emotional or mental condition arises after the cruise or cruise tour is booked which requires accommodation, you are requested to advise us in writing immediately. VRC and Carrier endeavour to reasonably accommodate special access needs but cannot guarantee they will be able to do so in all cases.

c. General Accessibility Limitations: Some ports of call may have physical conditions which may preclude certain passengers from going ashore. Additionally, for cruise tours in China, on the Mekong River, in Egypt, Peru/Galapagos and for other destinations not specifically noted, certain additional conditions, restrictions and limitations exist on board, at the ports, in excursions and on land that are beyond our control. Ship and airport access in these and other regions, including lack of wheelchair, walker or scooter accessibility, extended periods of standing and steps, are inherently present in tours that may not be appropriate for guests with certain medical conditions and physical restrictions. Due to restrictions on boat, ship and cabin sizes, certain cruise tours are not appropriate for travellers who use wheelchairs, walkers or scooters. Airports in certain regions typically do not have ramps or elevators. Excursions visit ancient sites with uneven terrain and stairs and include extended periods of walking over uneven surfaces. Passengers using walkers, crutches, or other mobility aids or who may need physical assistance throughout the trip should consider these needs when making a booking as our onboard personnel are not required to perform personal tasks or assist with eating, dressing, toileting, or provide extensive assistance to those with mobility concerns. Motorized scooters typically cannot be taken on board planes in certain regions because authorities such as the China Aviation Administration forbid any battery of capacity greater than 160 Wh (most scooter batteries) onboard an aircraft. Additionally, lithium batteries cannot be placed in checked baggage and must be hand-carried as onboard carry-on. All batteries must have the capacity clearly printed on the outside or they will not be allowed onboard. To calculate your battery capacity if it is only marked in mAh, divide the mAh number by 1,000 and multiply by 3.7. For example, a capacity of 10,400 mAh / 1000 = 10.4 mAh × 3.7 v = 28.48 Wh (under the limit of 160 Wh).

Most vessels and motorcoaches outside Australia and New Zealand are equipped to European standards. Most transportation services, including the vessels and motorcoaches, are not equipped with elevators or wheelchair ramps. VRC and Carrier are not liable for any denial of Services by the Carrier, air carriers, hotels, restaurants or other independent suppliers. VRC and Carrier cannot provide individual assistance for dining, extensive assistance in getting on and off vessels, motorcoaches and other vehicles, or other personal needs. You assume the full risk of use and of any prohibitions imposed by the Carrier or third-party vendors. Motorized scooters are not typically suitable on international tours.

d. Ship Access In Foreign Ports: To embark/disembark from all River ships in foreign ports, and on Ocean ships in various foreign ports, guests must be able to walk down/up steps and ramps without a walker or wheelchair, as gangways/ramps are typically not wide enough to accommodate these items. Not all ships have elevators, and some have split-level decks and/or significant thresholds. Please note: Our personnel are not required to lift guests or to provide other extensive assistance or assistance to those with mobility issues where such assistance creates safety concerns. Passengers with any medical, physical or other special needs should review their proposed ship's layout on our website and consider their needs. There are inherent risks associated with traveling aboard ships that are unique to cruise tour travel. For people who are ill, or have a mental or physical disability or impairment, the risks can be more significant. Passengers acknowledge that access to some areas of the ship and ports of call may be limited or impossible, that assistance may be limited or impossible in case of an emergency or rough seas, and that there may be a lack of immediate access to medical services in certain parts of the world.

e. Service Animals. If you plan to bring a Service Animal on board, we request that you notify us at the time of booking and complete the Service Animal Request Form at least 60 days prior to the commencement of your cruise. This form should be completed and submitted to VRC at customerrelations.anz@vikingcruises.com. Service Animal is defined according to Americans With Disability Act ("ADA") regulations relevant to cruise vessels and means any guide dog, signal dog, or other animal individually trained to work or perform tasks for an individual with a disability; emotional support animals are not Service Animals under relevant regulations. Service Animals are permitted in all public areas of the ship except for the galley, and other food preparation areas due to health regulations. Service Animals are not permitted to swim in the pools, whirlpools and spas, due to health regulations. Care and supervision are the responsibility of the owner. Service Animals must be leashed or harnessed in public areas. The passenger must provide food for any Service Animal. If refrigerated space is needed, please advise the ship's Special Request Department. If you decide to disembark in a port, the Service Animal must remain on board in the event the Service Animal does not meet the country's requirements to go ashore. Neither VRC nor Carrier has any control over ports that may prohibit Service Animals from going ashore. Local laws in the Galapagos restrict bringing animals. It is the guest's responsibility to research the ports on the cruise itinerary and confirm if the Service Animal meets those countries' entry requirements. If the Service Animal causes any damage on board, the passenger (owner of the Service Animal) will be held financially responsible. If the Service Animal's behaviour creates a fundamental or direct threat to safety, the Service Animal and passenger may be denied boarding or may be removed from the ship at the passenger's expense. You are also responsible for ensuring the Service Animal has all necessary vaccinations, as well for providing that documentation to customs or port officials if requested to do so.

f. Use of Oxygen. If you plan to bring oxygen on board, we request that you notify us at the time of booking and complete the Oxygen Concentrator Information Form at least 60 days prior to the commencement of your cruise. Approval to embark and use oxygen concentrators is at the discretion of the medical professionals, and the decision is final and binding. The Form should be completed and submitted to VRC at customerrelations.anz@vikingcruises.com.

Guests who require supplemental oxygen administration are required to comply with the following:

- Approval to embark is at the discretion of the medical professionals.
- Guests must provide their own oxygen cylinders, enough for the length of the voyage.
- Liquid oxygen is strictly prohibited due to safety concerns Concentrators must be checked upon embarkation and approved for use on board.
- If the length of the itinerary prohibits the initial on-loading of sufficient oxygen cylinders, the guest must make their own arrangements for additional cylinders or refills with a port.
- Cylinders must have the capability of being stored securely, upright, in a fixed system for the duration of the cruise.
- Due to the potentially hazardous nature of supplemental oxygen, the tanks must be stored in a secure area. The guest will be permitted only one tank in their cabin at a time.
- Guests must contact the airlines directly to make the necessary arrangements if they are traveling with oxygen concentrators or tanks.

Guests must provide their own accessories including:

- Cannula or mask
- Wrench and tools required for initiation of a new cylinder
- All connection accessories required to attach tubing to cylinder and access the flow of oxygen
- Wheeled carrier for locomotion and mobility throughout the ship and ashore, or appropriate wheelchair connection to hold the cylinder.
- Guests must arrange with a shoreside company to regulate their oxygen regulators and cylinders for extended itineraries.
- The ship's cylinders are for emergency situations only. The cylinders are bulk and will run out of oxygen in a shorter time due to a higher concentration ratio/regulator used.

g. Expedition Cruises. Passengers traveling on cruises offered by Viking Expedition, Ltd. and which mayinvolve travel to remote locales, including, but not limited to, the Arctic or Antarctic regions ("Expedition Cruises") are subject to additional terms and conditions as set forth in the Passenger Ticket Contract. Such passengers should read the Passenger Ticket Contract carefully as it contains acknowledgements, requirements, and warranties specific to Expedition Cruises. Expedition Cruises involve additional risks and dangers above and beyond those of non-

Expedition Cruises. Because of these inherent risks, all passengers traveling on Expedition Cruises are required to submit a Fit to Travel letter prior to travel and to update the Fit to Travel letter as also set forth in the Passenger Ticket Contract. Expedition Cruises are subject to greater restrictions on services and accommodations than would otherwise be generally applicable, including but not limited to what passengers may be able to bring on board during their travel on an Expedition Cruise. If you are traveling on an Expedition Cruise, you warrant that you have no physical or psychological condition which would entail an unreasonable risk to the health or safety of others or to the safe conduct of the Expedition Cruise and agree to abide by all terms and conditions of the Passenger Ticket Contract.

POSSESSION OF PROHIBITED ITEMS, ILLEGAL DRUGS AND/OR MARIJUANA

Marijuana possession or use, including medical marijuana and CBD oil, and possession or use of any illegal drugs, is strictly prohibited in many jurisdictions visited and on all ships at all times, as well as in terminals, during shore excursions or any other part of the cruise tour, regardless of any local, state, or other laws which might permit use or possession of marijuana. Passengers who violate the laws of any jurisdiction are subject to being reported to law enforcement or customs authorities, arrest and prosecution. Passengers who bring dangerous items, marijuana (including medical marijuana) or any illegal drugs or controlled substances on board are also subject to immediate disembarkation or denial of boarding. You shall have no claim for refund, loss, damage, inconvenience or compensation whatsoever under any of these circumstances. Refer to the Passenger Ticket Contract for more details.

SECURITY GUIDE

As required by the U.S. Cruise Vessel Security and Safety Act of 2010, applicable to ocean cruise ships that embark or disembark in the United States, this guide provides information on emergency contacts and proper procedures for ocean cruises during such voyages. In the event of a medical emergency, missing person or criminal activity, you should immediately dial 999 or contact:

- Security Officer (Deck 1; Phone 9009) (on Viking Star Deck 6; Phone 9708; on Viking Sea Deck 6; Phone 9775)
- Guest Services Desk (Deck 1; Phone 9710)
- Medical Center (Deck A; Phone 2010 Nurse)

All these contacts are available 24 hours a day to report any such incident. The ship's Security Officer is responsible for responding to alleged crimes and missing persons and should be contacted immediately for any such event. Any missing persons and criminal activity should be reported immediately so that appropriate personnel can take prompt action and secure necessary information. The Carrier has zero tolerance for crime on board its vessels. On international voyages that embark or disembark in the United States we are required by federal law to report on-board felonies and missing U.S. nationals to federal agencies. For a missing U.S. national and all serious felonies (homicide, suspicious death, kidnapping, assault with serious bodily injury, sexual assaults as defined by federal laws, firing or tampering with the vessel, or theft of money or property in excess of US$10,000) the incident must be reported to the F.B.I. as soon as possible. These requirements apply to incidents that occur on board in U.S. territorial waters, or on the high seas or in foreign waters if the assailant or victim is a U.S. national. The F.B.I. can assert criminal jurisdiction in all these circumstances. Each of the nations visited, as well as the vessel's nation of registry, may also assert jurisdiction and/or impose additional reporting requirements. VRC and the Carrier reserve the right to report any/all criminal allegations to any national, state or local law enforcement agency in addition to those mentioned. For missing persons or felonies arising at any time during the voyage you may independently contact the F.B.I. or U.S. Coast Guard.

For incidents within state or foreign waters or ports you may, in addition, contact local law enforcement authorities. We request you timely report any incident to vessel management. Failure to do so may prevent a thorough collection of information and evidence.
